Lisa Dahlseide

Instructional Assistant
Weaselhead

Lisa Dahlseide is a conservation biologist, and Nature Inspired Teacher for LYNX based in Treaty 7 land, Calgary. She joined the team at Third Schools in 2021. Her passion is environmental education and she strives to inspire a deeper

connection between people and nature. Lisa graduated from the University of Alberta with a degree in Conservation Biology focusing her studies on wildlife biology. She started teaching environmental education in Calgary's Weaselhead in 2003. Lisa loves to snowboard, camp and paddle board. She started homeschooling her own kids in 2020 and is thrilled to have her own children in the LYNX program and ursa online.
